## **Wescorp Energy Selects Brooks & Associates Public Relations to Drive Strategic Branding and Market Awareness**

HOUSTON, Texas, and CALGARY, Alberta (Thursday, August 30, 2007)—Wescorp Energy Inc. (OTCBB:WSCE), an oil and gas operations solutions company, announced today it has engaged the services of Brooks & Associates Public Relations, Inc., a full-service public relations firm specializing in the oil and gas, technology and transportation industries.

“Wescorp is a company on the move, and our industry needs to know that,” said Wescorp President and CEO Doug Biles. “We’ve chosen Brooks & Associates to help us communicate our deep industry knowledge, our expanding service offerings and our outstanding process management capabilities that we will help oil and gas companies solve their toughest operations challenges.”

Biles said Brooks & Associates was engaged specifically to help Wescorp refine its brand strategy, solidify its position in the marketplace and position the company globally to pursue investor, sales and marketing successes. Brooks & Associates Public Relations ([www.brooksandassociatespr.com](http://www.brooksandassociatespr.com)), headquartered in the Dallas-Fort Worth area, is dedicated to delivering strategic, integrated, results-driven communications programs.

“In searching for a communications partner, we were impressed with Brooks & Associates’ longstanding track record and experience in oil and gas and technology,” continued Biles. “Wescorp is deeply involved in commercializing oil and gas solutions to address gas metering and measurement, environmental compliance, unconventional oil and gas recovery, and field intelligence management. We bring highly attractive and synergistic technologies to market, and Brooks & Associates is ideally suited to help us communicate that to companies that need our solutions most.”
