## **Wescorp Energy and Cancen Oil Canada commence construction on remediation units for first facility**

*CALGARY, Alberta*

*(Wednesday November 11, 2009)* – Wescorp Energy Inc. (OTCBB: WSCE) is pleased to announce that, further to the joint venture partnership with Cancen Oil Canada Corporation, construction of the first two Wescorp remediation units has commenced.

Wescorp and Cancen engineers and field personal have completed remediation facility assessments and detailed engineering drawings. Both management teams have agreed the remediation units will be deployed to Cancen's existing waste processing facility in New Sarepta Alberta, Canada. The remediation units are scheduled to be installed and operational in the first quarter 2010.

"Wescorp is pleased that construction of the units has commenced," commented Doug Biles, President and CEO of Wescorp Energy. "We are confident that the successful operation of the units will solidify other opportunities for the Wescorp Cancen joint venture."

Wescorp and Cancen have also agreed to install Cancen's environmental personnel in Wescorp's office in Calgary, Alberta to further facilitate the rapid growth of the joint venture.
